

PRES. TAFT GIVES VIEWS ON TARIFF AND THE CANAL

Says Permanent Tariff Commission Will Provide Basis for Intelligent Legislation

SIMILAR EUROPEAN BUREAUS ARE SUCCESSFUL

Greatest Effect of Canal Opening Will Be Reduction in Transcontinental Transportation and Closer Relations Between the Two Ocean Seaboards.

(Copyright, 1910, by U. P.)

Washington, Dec. 20.—A United Press representative who today called on President Taft to ascertain the latter's views on the tariff commission and the Panama canal was given a pleasant reception by the chief executive. He found Mr. Taft very busy, but when he began to discuss these two projects he showed a remarkably comprehensive grasp of them.

A White House rule forbids direct quotation of the president, but the following are his ideas:

The Tariff Commission—A permanent tariff commission will provide the necessary basis for intelligent tariff legislation. No scientific revision is possible without basic facts and these can be obtained only in this way. No temporary body of men can handle the details of information and statistics necessary for this work. The proposed commission will be permanent and prepare and hold this needed information ready for instant use. Parties make no difference in this work, because

neither party can proceed intelligently without facts.

The European countries have bureaus for this purpose and they are entirely successful. No one man or committee placed at this work temporarily can do it justice because under this method the interests of certain sections of the country may overshadow the facts. For congress to refuse to establish this commission would be a step backward, a handicap which would take years to overcome.

The Panama Canal—The greatest effect of the canal opening to be felt by Americans will be reduction in the trans-continental transportation rates. It will mean increased activity with closer relations between the two ocean seaboard. The central states will quickly reflect the benefits.

The government will confine coastwise trade to American steamers insuring an enormous development of the American shipping industry. Probably the greatest source of pride will be that four great nations failed in this same work which the United States carried through.

MOONEY HAS NOT ACCEPTED

Ashtabula, Dec. 20.—Granville W. Mooney today denied reports from Washington that he had accepted the position of secretary to Porto Rico. He says he is still considering the proposition.

WANT TAFT TO COME TO THE CORN SHOW

Washington, Dec. 20.—Senator Burton and Representatives Douglas, Dwyer and Ashbrook of Ohio, saw the President, accompanied by Secretary Lloyd, of the National Corn Show to be held in Columbus February 7. The President was invited to attend, but said he probably would not be able to leave Washington at that time.

BUCYR'S HOTEL MAY DEAD.

Bucyrus, Dec. 20.—Frank M. Kerr of Bucyrus, one of the best known hotel men of Ohio, died today at Pasadena, Cal., where he was spending the winter with his daughters. Mr. Kerr was 60 years proprietor of the hotel house in this city. His death was caused by pneumonia.

of Roosevelt while president. This is the consensus of opinion among interested members of the house today.

DAUGHERTY MARRIED TO ACTRESS IN CLEVELAND

Buffalo, N. Y., Dec. 20.—Draper A. Daugherty, son of Harry Daugherty, a prominent Ohio politician, was quietly married here last Thursday to Della Gibson, of the Midnight Sun company. The news just leaked out today.

Mrs. Daugherty gave her name as Della Stevens Dunleavy, age 27 and birthplace Texas.

Columbus, Dec. 20.—Harry Daugherty returned here from Buffalo today and refused to comment on his son's marriage. He says it is a closed incident.

ENRAGED POSSE

Will Burn Negro at the Stake if They Can Secure Him From Sheriff and Deputies.

Durham, N. C., Dec. 20.—Closely followed by a posse of enraged farmers, Sheriff Wheeler and two deputies are rushing here with Nathan Montagu, a negro murderer. Montague last night broke into the home of Leyton Sanders, a farmer, and murdered Sanders and a two-year-old grandchild.

He then assaulted Mina Sanders, aged 20, and afterward cut her throat, finally setting fire to the house to hide the crime. A farmhand gave the alarm. If the posse gets the negro he will be burned alive.

WERE LOCKED IN JURY ROOM

Court Reporter Cooper and a well-known local newspaper reporter are trying to explain how it all happened that they locked themselves in separate rooms of the court house Monday and carried out their self-imposed sentences for a period of two hours or so. Fortunately their explanation of the affair is accepted by the authorities on matters known to the local members of the court house union.

Their stories agree. They say that while in conference on an important matter one or the other closed the door to the jury room, which door is equipped with a spring lock, only capable of manipulation from the outside. In their frantic efforts to escape their imprisonment the victim of the spring lock tried many schemes. One of these was the thought of Court Stenographer Cooper, who scaled the narrow ledge of stone, many feet above terra firma and coated with ice. He succeeded in reaching an adjoining room, only to find that door also locked from the outside. The pair was separated and in sore distress. Finally the janitress, Mrs. Wulfoop, was summoned from her home in South Newark, and managed to free the captives. With the exception of a few gray hairs, neither shows much effect of the long imprisonment.

MAN'S HEAD SPLIT; WIFE HELD.

Detroit, Dec. 20.—Francis Kniffen was found dead in bed at his home with his head split open. His widow, Nellie Kniffen, was taken into custody by the police. A bloody ax was found in the woodshed.

TEAMSTER KILLED IN CHICAGO STRIKE

Chicago, Dec. 20.—John Donnelly, 27, a teamster for a local garment manufacturer, was shot and killed, supposedly by strikers today. He drove his wagon half a mile after being shot and then collapsed, dying before he could make any statement.

RIVALS MEET IN DEBATE

Senatorial Candidates Clash in Allen County Capital

NOT MUCH ENTHUSIASM

As There Was a Sameness of Arguments Used in Former Meetings.

Lima, Ohio, Dec. 20.—Judging from the sameness of the arguments employed both candidates for the United States senatorial office who are engaged in the joint debate are running short of ammunition. In the oratorical combat last night there was a noticeable lack of vim and vigor in their addresses. Enthusiasm was restricted largely to members of the audience who came to support the candidates, regardless of what they said or did. On this account Chairman E. W. Hanley got nearly the lion's share of the applause out Lieutenant Governor-elect Arthur Pomeroy had a stout-hearted contingent, which saw to it that he did not lack for a cheer at the proper time.

Perhaps the strongest part of Mr. Hanley's address last night was that in which the state organization was defended. In this he characterized the stories told about the members of the organization as "merely scandal mongers."

The politicians in the audience were widely stirred when the Dayton candidate rallied his opponent with the fact that he had remained neutral about the organization and its methods while a candidate, and that he had accepted the support of men he is now denouncing during the campaign.

In his reply Mr. Pomeroy pointed out the necessity for the control of corporations engaged in public service in order to protect the people. These corporations employed the very best men they could get to look after their interests. In this connection he said that a political machine which would peddle patronage would also deal in legislation. The connection between these two statements was given only by innuendo. He was against the machine, and it ought to be smashed.

His peroration was a warning that the independent voters were in the saddle in Ohio in both parties, and victory this year might be defeat two years hence if faith were not kept. Denying the charge that he was a Socialist, he asserted that it was not the Socialists themselves who were responsible for the increase of that party. It was due to the big interests which he described as a "culmination of Socialistic tendencies."

Their excesses and the wrong they have committed are making these new-party men. Occasion was taken to deny that he had proclaimed that no servant of a public service corporation was fit for the senatorship or for public office. He did not say or believe this. What he believed was that no man who occupied a paragonical place, such as Mr. Han-

RAGG HOLT'S OWN STORY OF "DOING AMERICA" IN 38 HOURS, CABLED TO LONDON

London, Dec. 20.—Wm. Ragg Holt's own story of doing America in 38 hours appeared today in the London Daily Mail which sent him to the United States on the Christmas trip of the Mail.

The following are brief excerpts from the 38-hour word cable Holt sent to the Mail:

"The first view I got of New York after returning from my whirlwind dash to Washington was bewitching. The illumination of the skyscrapers make a picture of dainty splendor which would be the despair of a pyrotechnic artist. I had always thought the illuminations on the Bosphorus on the occasion of the Sultan's birthday the most wonderful fireworks in the world. Now I change my opinion."

"Measured by distance, New York lights suggest a delicate tracery one reads of in the description of the Taj Mahal and how rich and in sonorous melody seem all the Indian games shown on the sky signs, 'Lackawanna,' 'Susquehanna,' etc. Alas New Yorkers tell me that the use of old Indian names is becoming less frequent, and New Yorkers are beginning to use names of English poets and towns for their new hotels and squares."

Holt describes his visit to Mme. Sarah Bernhardt and has the following to say of Miss Geraldine Farrar, of the Metropolitan Opera company: "I was shown through the dressing room of the prima donna, Geraldine Farrar. She had been singing French all the evening, but greeted me in the ripest New England accent, for she was born in Boston and thanks her stars she is an American."

Regarding the difficulty in crossing New York streets, Holt says: "I esteem myself a past master in that art in London but here I was like a child and had to be rescued from perils at almost every corner."

ELEVENTH BODY RECOVERED FROM WRECKED BUILDINGS

New York, Dec. 20.—The eleventh body was taken from the wrecked New York Central terminal today. This is believed to complete the death list as officials say the other missing employees have turned up. Workmen continue at work on the debris in case other bodies are there. Of the injured in hospitals five have

fractured skulls and will probably die.

Building inspectors today estimated that to put all the damaged buildings into good condition would take \$1,500,000. Some of the structures will have to be rebuilt. The personal injury damages cannot be estimated but will very probably exceed a million dollars.

Newark Council No. 274, U. C. T., has added a new departure in the form of a social feature to the monthly meetings of the Council for the entertainment of the wives and invited friends of the members. This feature has been undertaken for the winter season and the first meeting of the kind was held Saturday night. There was a large attendance and much praise for the elegance of the entertainment furnished the guests.

Progressive pedro was indulged in at seven tables and the evening was closed with dancing. Punch and delightful luncheon was served by the members to the visiting ladies.

The following were present Mr. and Mrs. Jerome Ferguson, Mr. and Mrs. Harry Rossell, Mr. and Mrs. E. L.

Jones, Mr. and Mrs. Charles M. Hoover, Mr. and Mrs. T. M. Rugg, Mr. and Mrs. Clem Keller, Mr. and Mrs. G. M. Roley, J. H. Black, Harry Wiley of Granville, Mrs. George Starrett, Mrs. Verne Landou of Columbus, Miss Mayme Pigg, Charles Guckert of Granville, W. H. Miller, Miss Louise Black, Miss Helen Pigg, Marion Long, Olive Black, Miss Jennie Miller, Miss Helen Rossell, Chester Bailey, Harry Rossell, Jr., Howard Rugg, C. V. Alspach and D. H. Alspach.

The marriage of Mrs. Effie L. Kramer and Mr. Charles Delano Saviers took place Saturday afternoon at the home of Rev. S. K. King, who officiated. The ceremony was witnessed by Mr. G. W. Saviers of New York, father of the bridegroom, and Mr. and Mrs. Claude Pleukharp. The bride is a daughter of Mr. Emmet L. Benner, state officer at Buckeye Lake. Mr. and Mrs. Saviers have gone to spend several days at Buckeye Lake. They will make their home in Columbus. The bridegroom is an attorney.—State Journal.

The Travelers' club of Granville had a most delightful and interesting meeting on Monday afternoon in the parlors of the Baptist church. The club members and a number of guests enjoyed the program, which was featured by the lecture of Prof. James Baldwin of Vassar College. Prof. Baldwin's subject was "The English House of Lords."

Just before the lecture Mrs. Guckert gave a most entertaining and instructive paper on "Religious Liberty in America."

The Progressive club will give the Christmas meeting at the home of Mrs. Annis Lawhead in West Main street on Wednesday afternoon.

The following is a list of the dates and dances which will be given preliminary to and following Christmas: Cotillion club, December 20; Centum, December 21; Alfretha, December 26; Alpha Psi, December 27; Knights Templar, December 28; Masonic Club, December 29; Alfretha, December 30; Beta Phi, December 31. Then beginning the New Year: Catholic Ladies of Columbus, Jan. 2; Phi Sigma Chi, January 3; Phi Beta Psi, January 4; Masonic club, January 5; Knights of Columbus, January 10; Ema Non club, January 11; Assembly, January 12; Centum, January 18; Knights Templar, January 19.

Tonight the Kappa Phi sorority of Granville will hold its annual reception for the new girls of Shepardson. Among the alumnae expected to attend are Katherine Critchfield, Jesse Street, Mary Neal, Anne Davis, Kathleen Simms, Sue Theobald, Florence Montgomery, Mrs. Frank Welt, Mrs. Lawrence Krieg, Ella Roberts and Margaret McKibben.

C. J. Hazen, ex-'12, Denison University, arrived in Granville Tuesday morning for a visit with friends over Christmas. Mr. Hazen was recently married and now makes his home in Palestine, O. While in Granville he will be the guest of his parents, Mr. and Mrs. Sinnet.

Saturday afternoon and evening the Chi Psi Deltas threw open the doors of their little Colonial chapter house to receive the new girls of Shepardson College. The house was prettily decorated with evergreen trees and holly wreaths. The girls were received by Zorelda Goodhart, Imogene Critchfield, Claire Fifield, Bertha Fulton, Bertha Latimer and Marion Weiant. Light refreshments were served.

At six o'clock a hot dinner was served to forty-five girls, including friends of the chapter. The following alumnae were present: Misses Helen Williams, Nina Binger, Marion Weiant, Bertha Fulton, Bertha Latimer, Frances Priest, Marguerite Jones, Gertrude Wright, Alice Dalziel, Mary Dickerson, Alice Cox, and Mrs. Fulton Van Voorhis.

The Philoxenian club will meet at the home of Miss Genevieve Yates in Seventh street on December 31.

DEAFNESS CANNOT BE CURED by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. P. J. CHENEY & CO., Toledo, O. Sold by Druggists. Take Hall's Family Pills for constipation.

Mutton en Brochette. Cut some rare mutton into inch cubes. Mix together one finely chopped onion, one-half a teaspoonful of salt, one-quarter of a teaspoonful of pepper and one-third of a teaspoonful of powdered cinnamon. Dip each piece of meat into this and let stand on a plate for half an hour, string on skewers. Dip the skewers as filled into a thin tomato sauce and arrange in a broiler. Broil over a clear fire basting twice with sauce, and serve very hot.

Beet Salad. The following ingredients are required for best salad: Eight cooked beets, four hard-boiled eggs, some French dressing and parsley. Cut the beets in cubes, marinate with French dressing and allow to stand for one hour. Chop the whites of the eggs fine, rub the yolks through a sieve. Arrange the beets in a salad dish in a mound. Garnish with alternating rows of white and yolk of egg and parsley.

This will Stop Your Cough in a Hurry

Save \$2 by Making This Cough Syrup at Home.

This recipe makes a pint of better cough syrup than you could buy ready-made for \$2.50. A few doses usually conquer the most obstinate cough—stops even whooping cough quickly. Simple as it is, no better remedy can be had at any price.

Mix one pint of granulated sugar with 1 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle; then add the Sugar Syrup. It has a pleasant taste and lasts a family a long time. Take a teaspoonful every one, two or three hours.

You can feel this take hold of a cough in a way that means business. Has a good tonic effect, braces up the appetite and is slightly laxative, too, which is helpful. A handy remedy for hoarseness, bronchitis, asthma and all throat and lung troubles.

The effect of pine on the membranes is well known. Pinex is the most valuable concentrated compound of Norwegian white pine extract, and is rich in quinine and all the natural healing elements. Other preparations will not work in this formula.

This Pinex and Sugar Syrup recipe has attained great popularity throughout the United States and Canada. It has often been imitated, though never successfully.

A guarantee of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

FREE SAMPLE CURED OLD PERSON'S BOWEL TROUBLE

One of the most remarkable proofs of the unusual laxative merit contained in Dr. Caldwell's Syrup Pepsin is that it is effective not only in people in the prime of life, but at the extremes of ages. As many letters are received from mothers regarding the cures of children, as from men and women of sixty, seventy and eighty years of age. It must be truly a wonderful laxative.

In the cure of constipation and bowel trouble in old people it has no equal. It corrects the constipation, dispels the headache, drowsiness, gas, drowsiness, after eating, etc. People advancing in years should see to it that their bowels move freely, and if they do not take Dr. Caldwell's Syrup Pepsin, you can prolong your life by healthy bowel action. Clogged bowels invite disease. Women about to pass the menstrual period cannot do better than use Syrup Pepsin several

times a week until the system has settled to its future condition.

Among the strongest supporters of Dr. Caldwell's Syrup Pepsin are Mr. W. G. Zorn of New Deatur, Ala. and Mr. George S. Spaulding of the National Soldiers' Home, Kansas, both elderly men. The regular size bottles can be bought of any druggist at fifty cents and one dollar, but a free sample bottle can be had by sending your address to the doctor.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. B. Caldwell, 241 Caldwell building, Monticello, Ill.

NEWARK PRICES

Lower than Those in Other Cities—
Buy of Local Dealers—There's
a Reason.

A Newark woman walking along Broadway, New York, the other day had her attention drawn to a display of electrical apparatus. Among the articles that struck her fancy was an electric curling iron marked \$4.50. She noted the address with a view to ordering the article for a Christmas gift for a friend. In passing the Newark Electrical company's store last night this same woman saw an exact duplicate of the New York article with this difference—it was priced \$3.75. She bought the Newark article, saved 75 cents and incidentally kept the \$3.75 in circulation here at home.

A few days ago a Newark woman who was shopping in one of the local dry goods stores, told the clerk about buying some "lovely lace curtains" in a certain out of town store. She described this purchase and told how pleased she was with it. Excusing himself for a moment the clerk went to another part of the store and returned with an armful of curtains.

"Was your purchase something like this?" he inquired.

"That's the identical thing. Why, I didn't know you carried this quality in stock. What's the price?"

Then it was the woman discovered that if she had bought the curtains in Newark she would have saved \$2.00.

It stands to reason that Newark merchants sell at lower prices than can dealers in Columbus or other larger cities. Their rent and other expenses are less and Columbus merchants pay just as much for their merchandise as do the Newark dealers.

A certain Columbus firm pays \$7,000 a year rent. A man in Newark handling the same line of goods and just as carefully selected stock pays less than \$1,000. Hasn't the Newark dealer an advantage?

Remember when you spend your money in Newark it shouts "Till we meet again," and when it is taken to another city it sighs: "Farewell Forever." Be a booster. Buy in Newark and whenever you can purchase Newark made goods. By so doing you help yourself, your fellow citizens, your home town and that's worth while, isn't it?

AMUSEMENTS

LAST NIGHT'S SHOW.

The management of the Auditorium theatre is establishing a precedent in keeping the theatre open the entire week before Christmas and the engagement of Hyde's Theatre Party opened with all the earmarks of a successful week. After the presentation last night there is no reason why there should not be big houses every night, for the company is the peer of any stock organizations seen here. The members all average as well, the scenery would put many of the big prize shows to shame and the costuming is worthy of notice and in good taste.

The opening bill was "The Man of the Hour," a nice little society drama in four acts well within range of the company and it consequently was given with an ease that was appreciated. The leads, W. O. McWaters and Alice Bolton are good, but particularly was noted the cleverness of the two character people, Fred Ellsworth and Eleanor LeChoir.

In the cast is an old Newark boy, Frank Garratt, who was seen in the role of Conrad Crest, an eccentric, and his work was watched with interest by his many friends and admirers here. He had a good conception of his character and carried it very well. Mr. Garratt's public name is J. Francis Marlowe.

Jack Warburton is missed from the cast and his play to the gallery in specialties, in fact all specialties have been done away with which is a pleasing feature.

There will be a daily matinee every afternoon and tonight the attraction will be "The Red Circle."

CHRISTMAS SHOW.

Owing to the fact that it is now that Manager Shea had booked for the Monday following Christmas, as closed, the management will give on that day a special entertainment. Mr. Shea permitted very much that the nation's attention was to be disappointed and a better time had the house dark, as people will be used. The attraction will comprise some of the best acts to be had and the program will have variety and quality.

"LENA RIVERS."

Among the acts at the Red Circle, will be Lena Rivers, who has been booked for the Auditorium theatre of Saturday. In the two performances she will give a three act play to our playgoers. The book is a comic play from which British Players had for

dramatization is by Mrs. Mary J. Holmes, which assures a first-class play with plenty of comedy and a profusion of tears. A crowded house is a most certainty for both the matinee and night performances.

"ALL FIELD'S MINSTRELS."

Field's Minstrels will return to Newark for an engagement at the Auditorium theatre on Wednesday matinee and night, December 25.

This season the All G. Field Greater Minstrels celebrate the twenty-fifth or quarter-century-marking tour of this most well known organization which now remains as the sole survivor of the many productions of minstrelsy made since the beginning of this well known organization one-quarter of a hundred years ago.

"THE CITY."

Without doubt, one of the biggest dramatic treats of the season is "The City," the posthumous work of the noted playwright Clyde Fitch. This play has awakened the greatest interest of any production of recent years and the leading journals of New York were filled with the wondering comments of the critics.

"Certain it is that in 'The City' Clyde Fitch did not concern himself with beauty. He made the foundation of his work firm and then went on piling sensation upon sensation, multiplying horror with horror, until he reached unenviable heights. Is the way a World writer describes the work of building this great play.

**A GOOD COMPLEXION ADDS
CHARM TO ANY WOMAN.**

Seaver's Laxative Tonic Tablets Will
Produce Good Complexions.

Among the many charms for which women are especially noted, not one of them is so quickly recognized and admired as a good complexion.

Every woman, regardless of the station she may occupy in society, owes it to herself as well as her associates to properly safeguard the beauties with which nature has endowed her.

The inactivity of the liver and bowels is the direct cause of pimples, sallowness, muddy skin and the many other blemishes common to a poor complexion.

Seaver's Laxative Tonic Tablets are largely composed of dandelion, and any physician will tell you there is nothing better to create a healthy condition of the skin and complexion. A 25-cent package of these tablets contains enough of the remedy for a fair trial and your money will be cheerfully returned by Erman & Son if you are not greatly benefited by their use.

Do not delay but give Seaver's Laxative Tonic Tablets a fair trial and you will agree that all our claims are absolutely true.

POLICE COURT.

Henry Davis was arrested on a charge of burglarizing a Paris department store on last Saturday night. He was taken to court Monday afternoon. Davis was represented by Attorney John J. Howell. While the prosecution was in progress, Attorney Charles Fitch was called to the bar.

The result of the hearing was that Davis was bound over to the grand jury in the sum of \$1,000, as he was to give bond was sent to the city jail.

Three confidential powdermen were given some fatherly advice and dismissed, not to be up the point again on Tuesday morning.

MAYOR ANKELE ISSUES WARNING TO OFFENDERS

Mayor Ankele on Tuesday instructed the police department that after Wednesday any person found walking through the court house park, "cutting across lots," instead of using the walks for that purpose, will be arrested and severely dealt with. Several paths have been cut across the court house park, which are very liable to completely ruin the grass for the coming spring.

NEWARK ELKS WILL PRODUCE OPERETTA FOR SWEET CHARITY

On last Tuesday evening at the regular meeting of the Newark lodge of Elks it was decided to establish a fund to be expended for charitable purposes only. Such a fund, as far as known, does not exist in this city, that is to say, a charity fund open to the demands of the whole community, subject merely to investigation that it may be reasonably certain that the purpose to which the money is put is bona fide charitable.

A committee from the Elks lodge was appointed by Exalted Ruler Dr. H. H. Baker to devise a means of acquiring the first money of the fund. That committee consists of R. W. Smith, Warren Suter, C. F. Ferguson, F. R. Douce, Daniel Altshool, E. W. Murphy, R. L. Rhodes, Daniel Ganey, W. A. Foley, J. F. Cherry and Ernest T. Johnson.

After due deliberation the committee has decided that now is an opportune time to produce some spectacular musical show, shortly after the holidays, and invite Newark people to assist in an undertaking that would result to the interest and advantage of the city.

To that end a number of ladies were invited to meet in conference with the Elks. This meeting resulted in the formation of a ladies' organization consisting of Mrs. Charles Miller, chairman; Mesdames F. J. Maurath, Jesse Walters, Frank Bolton, Bernard Wingerter, Wm.

Fitzgibbon, C. F. Ferguson, Rollin Sook, J. A. Meridith, E. T. Johnson, J. F. Cherry, Oscar Scheidler, George Herman, William Knauss, and William Maholin.

These two committees acting together enlisted the aid of Professor Smith of Columbus to produce his celebrated musical extravaganza, "Aurora," the music of which was written by Mr. Fred Neddermeyer, known from coast to coast as the director of the famous Neddermeyer band. This beautiful opera will be elegantly staged and costumed and will in effect be the same production that the society people of Columbus produced early in the fall for the same charitable purpose.

It is to be hoped that Newark citizens will do all in their power to aid in this cause which means so much to the suffering poor of the city. It may be well to state that it has been the custom of the local lodge of Elks, on each New Year's Day, to either send baskets to the deserving poor or invite the poor children, known to have had no Christmas, to their club rooms where these tots may have the opportunity of realizing what a real "Santa" is. And this year will be no exception to the established custom.

Hoax—Wigwag complains of having rheumatism in his fingers. Joax—Then I suppose he has a double reason for not feeling well.

TOBOSO

On Saturday evening, December 24, the Ladies' Aid society will give an ice cream supper for the benefit of the church. All are invited to attend.

A Christmas entertainment will be given at the M. E. church Friday evening. A good program is being prepared.

An epidemic of whooping cough has struck this section. All that have it seem to be getting along fine.

Mrs. Clyde Hoover spent a few days in Columbus last week the guest of her cousin, Mrs. Cora Beatty.

Mr. George Willard, an aged gentleman, is very ill at the home of his son, James Willard.

Mr. Thompson Redman and family of Nashport, spent Sunday with Mr. and Mrs. Jacob Lescalette.

Mrs. Clyde Hoover and daughter, Helen, visited Mrs. Jacob Lescalette last Friday.

Mr. Milton Jones and Miss Nellie Irwin were the guests of Mr. and Mrs. John Cramer at Frazeyburg, Sunday.

Mr. J. W. Nothers has returned from a trip to Florida. He thinks Ohio is good enough for him yet, although he enjoyed his trip very much.

FREDDIE WELSH IS THE FAVORITE

London, Dec. 20.—Freddie Welsh, the light weight champion of England, is a 10 to 8 favorite for his twenty round fight with Jim Driscoll, the British featherweight champion, to be decided in Cardiff, Wales, tonight. The men fight for a purse of \$12,500, the weight being 132 pounds ridside. Driscoll has also wagered \$5,000 on himself. If he wins he expects to visit America and camp on Abe Attell's trail.

DINNER STORIES

Judge Mulqueen had a colored woman before him as a complaining witness. She had a man held for trial by a city magistrate, on the charge that he had attacked her with a pair of scissors. "He mout" near gouge mah eye out, judge," she said. "Jes' come at me lak a lion, he did, a-roarin', sub. He poke me in de

Told to repeat her story, she went all over it again, telling how the man had slashed her face with that pair of scissors. "But, madam," the judge said, "there isn't a mark on your face." "Marks," said she, indignantly. "Marks? What

At St. John's a man stowed away upon Harry Whitney's yacht, bound for an Arctic hunting trip. He was discovered too late to return him to the little Newfoundland port, but Whitney determined to make him work his passage. He wasn't successful at this, however. The stowaway simply couldn't see any sort of work. Short of personal violence he couldn't be made to button his collar.

"By thunder," Whitney said one day. "I've a notion to leave you here at Etah." The stowaway seemed mournful.

"Believe me, Mr. Whitney," he said, emphatically. "You haven't made me so welcome on board your jiggered old yacht that I want to stay. But what could I do up here?" He swept his hand around at the Eskimo huts, half roof and the rest hole in the ground.

"What is your business, anyhow?" Whitney asked, curiously.

"I," said the stowaway, "am a second-story worker."

During a social function in Washington, where one of the guests was a young man in Uncle Sam's consular service in the East, the conversation chanced to touch upon the cheapness of human life in China.

One young woman was horrified to learn from the consular officer that a Chinese condemned to death may always find a substitute to die in his place.

"How awful!" exclaimed the tender-hearted young woman. "Do you know face with that pair of scissors. "But, madam," the judge said, "there isn't a mark on your face." "Marks," said she, indignantly. "Marks? What

PICK DEORO FOR THE CHAMPION

New York, Dec. 20.—The three cushion billiard title will be fought for this week by Alfred DeOro, the title holder, and John Daly. The men will play three blocks of fifty points each on Tuesday, Wednesday and Thursday nights, at Doyle's academy. If DeOro is in form cue experts pick him to win easily. Daly, however has been practicing much more of late than the champion. The match will be for the Lambert trophy, a diamond emblem, worth \$1,000 and \$300 wager and the gate receipts.

How About Clean Food

Another Splendid Opportunity to Bring Out Facts

When the "Weekly" which sued us for libel (because we publicly denounced them for an editorial attack on our claims) was searching for some "weak spot," they thought best to send a N. Y. Atty. to Battle Creek, summoned 2 of our workmen and took their sworn statements before a Commissioner.

Did we object? No. On the contrary, we helped all we could, for the opportunity was too good to be lost.

Geo. Haines testified he inspected the wheat and barley, also floors and every part of the factories to know things were kept clean. That every 30 minutes a sample of the products was taken and inspected to keep the food up to standard and keep out any impurities, also that it is the duty of every man in the factories to see that anything not right is immediately reported. Has been with the Co. 10 years.

Edward Young testified had been with Co. 15 years. Inspector, he and his men examined every sack and ear of wheat and barley to see they were up to standard and rejected many ears.

H. E. Burt, Supt., testified has been with Co. over 13 years. Bought only the best grain obtainable. That the Co. kept a corps of men who do nothing but keep things clean, bright and polished.

Testified that no ingredient went into Grape-Nuts and Postum except those printed in the advertising. No possibility of any foreign things getting into the foods as most of the machinery is kept closed. Asked if the factory is open to the public, said "yes" and "it took from two to three guides constantly to show visitors through the works." Said none of the processes were carried on behind closed doors.

At this point attys. for the "Weekly" tried to show the water used was from some outside source. Testified the water came from the Co.'s own artesian wells and was pure.

He testified the workmen were first class, high-grade and inspected by the Co.'s physician to be sure they were all in proper physical condition; also testified that state reports showed that Co. pays better wages than the average and he thought higher than any in the state.

F. B. Martin, Asst. Supt., testified Grape-Nuts made of Wheat, Barley, Yeast and Water. Anything else? "No, sir." Postum made of Wheat, Wheat Bran and New Orleans Molasses. Statements made on his experience of about 10 years with Co.

Testified bakers are required to wear fresh white suits changed every other day. Said had never known of any of the products being sent out that were below the high standard of inspection. Asked if any one connected with the Postum Co. had instructed him how to testify. Said "No, sir."

Horace Brown testified has been with Co. 9 years. Worked in Grape-Nuts bake shop. Testified the whole of the flour is composed of Wheat and Barley. Attys. tried to confuse him, but he insisted that any casual visitor could see that nothing else went into the flour. Said machinery and floors always kept clean.

So these men were examined by the "Weekly" lawyers hoping to find at least one who would say that some under-grade grain was put in or some unclean condition was found somewhere.

But it was no use.

Each and every man testified to the purity and cleanliness.

As a sample, take the testimony of Luther W. Mayo.

Testified been with Company about 10 years. Now working in the bakery department making Grape-Nuts. Testified that the ovens and floors are kept clean and the raw products as they go in are kept clean. Also that the wearing apparel of the employees has to be changed three times a week.

Q. Do you use Postum or Grape-Nuts yourself at all?

A. Yes, I use them at home.

Q. If from your knowledge of the factory which you have gained in your ten years at the factory you believed that they were dirty or impure in any way, would you use them?

A. I do not think I would. No.

Asked if any one on behalf of the Company had asked him to testify in any particular manner. Stated "No."

All these sworn depositions were carefully excluded from the testimony at the trial, for they wouldn't sound well for the "Weekly."

Think of the fact that every man swore to the purity and cleanliness so that the Atty. for the "Weekly" was forced to say in open court that the food was pure and good.

What a disappointment for the "Weekly!"

But the testimony showed:

All of the grain used in Grape-Nuts, Postum and Post Toasties is the highest standard possible to obtain.

All parts of the factory are kept scrupulously clean.

None of the workmen had been told how to testify.

Most of them have been from 10 to 15 years with the Co. and use the products on their tables at home.

Why do their families use the products, Grape-Nuts, Postum and Post Toasties, that they, themselves, make?

SHORT SESSION CITY COUNCIL MONDAY EVENING

South Side Business Men's Association Ask for Plans and Estimates of Subway—Gas Ordinance, Etc.

Clockwork and the city council's proceedings last evening at the regular session are synopsized.

Chief among the topics before the city body was a communication from the South Side Business Men's association, started by Mr. H. M. O'Boylan and W. A. Vach, committee. The communication was in the nature of instructions to the city council to proceed at once to have plans prepared and estimates submitted toward the construction of a subway at either Second or Sixth street crossings of the railroads, the cost of this improvement to be borne by the city and the railroad companies jointly.

The communication was referred to the special subway committee recently appointed by President Fulton and consisting of members Stare, Prior and Baker.

In accordance with the recommendation of the finance committee, a resolution by Stare and Orr was adopted, awarding the special street and sewer bonds, aggregating \$40,000 to the Citizens Safety Deposit & Trust company, of Toledo, at their bid of \$1,832. This bid represents a premium of a trifle over 4 1/2 percent.

Mr. Irwin of the law committee announced that that committee is not yet ready with its report on the gas franchise ordinance, but stated that the report would be in before the first of the year.

In this connection Clerk James McCarthy reported the result of his communications to surrounding cities and towns as authorized by the law committee. This report contained replies from thirteen different central Ohio towns and showed that the general average rate paid is 22 3/4 cents per thousand cubic feet without the discounts allowed, or 24 1-12 cents with the discount off. The report referred particularly to the situation in Lancaster, where there is a municipally operated gas plant, which has given an average rate of 15 cents per thousand and still had a large revenue to distribute to the general maintenance of the city's expense.

On motion of Elmer the report was referred to the law committee to use in its deliberations.

The thirteen cities included in the report are Coshocton, Shelby, Marion, Bremen, Marietta, Ironport, Urica, Mansfield, Columbus, Junction City, Mr. Vernon, Cambridge and Delaware.

The ordinance fixing salaries of city employees was passed under suspension of rules with its second and third readings; as was also the peddlers' license ordinance.

An ordinance by Elmer to transfer funds was also passed under suspension of rules, on its second and third readings.

Council adjourned to meet Wednesday evening, December 28, at which time the law committee will report on the gas franchise ordinance.

PERRYTON MAN HAS FIGHT WITH A BALD EAGLE

Perryton, Dec. 19.—A bald eagle, the largest ever seen in this community, snatched the hen from the head of Edward Moran of Perryton, Monday, and it is a story that has been told on the end of a pole on top of the steeple. In the fight for the hen the eagle scratched Moran's face painfully in several places, pulled his hair and cut his body with its claws.

LOYALTY

Loyalty? It's a marvelous thing in any city.

The man who is loyal to his work—to his city, to his chief or the most humble employee, is the man worth while. He is the man who works the longest hours, gives the best he has, the most real manhood. He has that self-satisfaction, the desire, the feeling of glow, that sweeps over every one when his city does something a little better than any other city.

If a man is not loyal, he is not true to the thing he undertakes. The proper spirit of loyalty supplies poise, purpose, power, ballast and works for health and success.

The man who is loyal to his work—to his employer—to his city—gives nature a big boost. Nature never did care for the shipboard or indifferent man. Nature, being a strange affair, takes it for granted that the indifferent man does not care and treats him accordingly.

If you are not loyal you are going to fail. Don't cheat. Don't let on you are loyal. Don't make a bluff of it, feel loyal, then you won't have to act loyal. You must have the fabric of loyalty woven into your very being, let it intermingle with your blood.

The menial is the man who is disloyal to his work—to his city—who smooths over mistakes, who does not take his city's mistakes as his own.

"Well, thank goodness, it was not my mistake," is a poor policy. Your city's mistakes are your mistakes if you have the right spirit of loyalty. If a co-worker fails, if he trips and stumbles, it's your business to see that he is helped out of the rut so your city may go on to prosperity.

"There is no chance for me. Everyone is against me," is a common complaint in many cities. The man who makes this whine is right. Everyone is against him, he himself being the leader.

Pass up the whine and add the great lubricant of life, loyalty. You can preserve your balance and make results cumulative. The man who is loyal to his work—to his city—is never perplexed or filled with doubts.

The man who wonders over the reason why he does not advance—who his city does not advance—is the man who will stay behind. Be loyal. Be a booster. Not only for your work, for your business, but for your city.

You have been mechanical. You have been satisfied to do your own duties, but never reached beyond. Do not cheat yourself. Do not be indifferent and declare, with a toss of your head, that you have been loyal. Examine your everyday life. Inspect your past actions, lay the book wide open, and if you find where you have stumbled, mark it down, that you have been disloyal.

Be loyal. Be a booster! (With apologies to American Press Association.)

Ends Winter's Troubles.

To many, winter is a season of trouble. The frost bitten toes and fingers, chapped hands and lips, chilblains, cold sores, red and rough skins, prove this. **CURATIVE
POWER OF
CUSTER WELL**

Discovery of Owner that Water is
Good for Rheumatism May
Cause Him to Open
Sanatorium.

(Special to the Advocate.)
Beech Woods, Dec. 20.—A max-
imal well of wonderful curative powers,
situated on Point Custer, Beech
Lake, has cured the owner, Joseph
Custer, of a severe case of rheuma-
tism of 15 years' standing, accord-
ing to Mr. Custer's own testimony.
The well was drilled only a few
years ago, and is 132 feet deep. A
few months ago Mr. Custer began
to notice his recovery from rheuma-
tism which had afflicted him for a
number of years and which at one
time became so serious that his life
was despaired of. Finally, deciding
that it was the water from the well,
he began a course of systematic
treatment with it, and the results
have been mar-vel-ous.
The farmers in the neighborhood
of Point Custer are greatly excited
over the wonderful discovery and
are carrying the water for miles in
jugs to the afflicted and excellent
results are reported.
Mr. Custer is a distant relative of
the late General Custer, famous In-
dian fighter.
A short time ago the water of the
Custer well was analyzed by a chem-
ist of Ohio State university and pro-
nounced of great virtue in curing
rheumatism, since it is said to con-
tain certain acid qualities that are
essentially of great curative power.
The owner of the well is being
urged to open a sanatorium for the
treatment of people afflicted in this
way.

GRANVILLE

SURPRISE TENDERED MR. AND MRS. F. G. DAVIS ON WED. DING ANNIVERSARY.

Students of Conservatory of Music Give Enjoyable Recital—News of Near Vicinity.

Granville, Dec. 29.—Mr. and Mrs. F. G. Davis, well known citizens, residing a short distance south of the village, were the recipients of a delightful surprise at the hands of a number of their friends on Monday night. It was the fifteenth anniversary of the marriage of Mr. and Mrs. Davis, and this fact becoming known to some of their friends a surprise was planned and most successfully carried out as was demonstrated to the satisfaction of all concerned. At an early hour in the evening they met at the home of one of their number and from thence proceeded in a body to the home of Mr. and Mrs. Davis. They found the worthy couple at home, and took their completely by surprise. After they had somewhat recovered from the shock they devoted themselves untiringly to entertaining their self-invited guests and the result was that an evening of rare social pleasure was participated in. The pleasures of the evening were seasoned with a bounteous supper provided from the well filled baskets that had been taken by the guests. Mr. and Mrs. Davis were the recipients of a number of handsome and useful presents that will ever be treasured as mementos of the happy occasion.

One of the very enjoyable recitals of the semester was the recital given by the students of the Conservatory of Music in Recital hall on Monday night. The hall was well filled with the friends of the students and the college people. The program carried out was as follows:

little ones. There is none which ought to make a stronger or deeper appeal to the heart of the public. Take care of the children and the joy of the season will take care of itself.

The members of the Denison football team and a few friends were most delightfully entertained by "Doc" Freeman, the coach, at his home on Pearl street, on Monday evening.

Farmers throughout the state have been quite successful in restoring the apple orchards nearly destroyed by the San Jose scale, and the same can be done right here in Granville township if the fruit growers go about it right.

Every housewife should throw the crumbs from the table to the hungry birds at this season, when the ground is covered with ice and snow. A few crumbs will fill many empty bird stomachs.

Do not forget the suffering poor while you are at the height of your holiday enjoyment. By making their hearts happy, you lighten your own.

At a tryout of the orators of Denison University held Monday night for the purpose of selecting a class of orators from which the teams representing the university in intercollegiate debates will be chosen, the following were selected: H. H. Hunt, Robert Weber, H. O. Gillespie, H. L. Deibel, R. B. Stevens, H. A. Nixon, F. M. Derwacher, J. D. Thompson, Karl Eschman, C. F. Kemper, C. C. Gibson, Newton Carman, and G. B. Williams. The judges for the occasion were Hon. Edward Kibler of Newark, and Prof. Spencer and Prof. Goodell.

Mr. J. Hopley left for Jacksonville, Texas, Tuesday.

Miss Helen Baldwin, daughter of Dr. and Mrs. C. J. Baldwin, will arrive home Saturday for the holiday vacation. Miss Helen is teaching in the Joliet, Ill. High school.

Miss Florence McCammon of Granville, left for Girard, Kansas, Monday night.

Mrs. David Beveridge of St. Ignace, Mich., will arrive at Granville Friday to spend the holidays with her parents, Mr. and Mrs. F. L. Ferguson.

EDWARD KIBLER, JR., ADMITTED TO BAR WILL PRACTICE HERE

Mr. Edward Kibler, Jr., son of Hon. Edward Kibler, and grand-son of Judge Charles H. Kibler of this city, has just received notice of his admission to the bar. The young man was one of 91 who took the last examination for admission to the bar, and of this number 78 were successful. The entire class of successful applicants will be sworn in by the Supreme Court Thursday and their certificates will be handed out. Christmas presents will be distributed from the Ohio State University to the graduates. Mr. Kibler finished his law course in the law department of the University having also taken the first year in law during his senior year in the College. Mr. Kibler passed a comprehensive examination, his grade being among the highest. After graduating from the Ohio State University with the degree of A. B., Mr. Kibler read law with his father. He expects to practice law in Newark.

coupon system for the purpose of crushing out competition. He gave notice that he intended to compel action at the present session on the bill, which passed the Senate as a part of the Payne-Aldrich tariff bill.

Mr. Beveridge discussed the use of coupons, and asserted that by such means the American Tobacco company had been enabled to crush out competition in a manner amounting to a scandal. He sharply criticized the Financial Committee for not having acted.

An effort is to be made in Congress to obtain the passage of legislation forcing prohibition upon the territory of Hawaii.

The past Congress authorized an election in Hawaii to determine whether the territory itself favored abolition of the liquor traffic. This election held in August last resulted in a defeat of the prohibition plan by a heavy majority. John G. Wooley, representative of the Anti-Saloon League in Hawaii, and other officers of the league are considering the matter of asking now for a straight prohibition act to apply in the territory.

Segregation of habitual drunkards, a sweeping extension of membership eligibility to infirm veterans, steps to minimize the feeling between Civil war veterans and other volunteers and better means are among the recommendations made in a comprehensive report on the National Home for Disabled Volunteer Soldiers, submitted to Congress yesterday.

Inspector-General Brewer, who made the inspection at the 10 different institutions, says the daily allowance per inmate should be raised from 14.84 cents to 20 cents, and recommended better food.

The reports recommends creating the office of Adjutant and Inspector at the Danville (Ill.) Home, and of a Commissary with the rank of Captain.

A bill relieving from annual assessment work all prospectors who were injured by the forest fires of last summer and fall was passed by the Senate. The bill was hurried to the House in the hope of procuring action before the Christmas recess.

Senator Brister continued his filibuster against the omnibus bill, by forcing a number of roll calls and by retaining the floor he prevented a vote and again forced the bill over.

The Senate adopted the House joint resolution agreeing to adjourn on Wednesday for the Christmas holidays. The recess will continue until Thursday, January 5.

The Indian appropriation bill, carrying items aggregating 9,215,430 was reported to the Senate. The total represents a net increase of \$87,955 over the amount of the bill as it was passed by the House. Of this increase \$600,000 is to carry out the awards to the loyal Creeks in accordance with an agreement made with that tribe in 1901.

The Senate confirmed the nomination of Edward R. Wright and Clarence J. Roberts to be Associate Justices of the Supreme Court of New Mexico, and Cornelius D. Murane to be United States Judge for the District of Alaska, Division No. 2.

President Taft sent to the Senate the nomination of Louis T. Dagazon, of New Orleans, to be Receiver of Public Moneys at that place.

**Buys a Black Russian
Pony Coat**

This is unquestionably the most popular fur today. It is a fur that stands wear well, lasting for many years. It is in keeping with the big demand for black furs. It is beautifully marked and has a deep border effect, produced by the markings of the skins—52 inches long, and satin lined, for \$48.00

**All Worsted Sweaters
For Ladies and
Children**

We have an unusually large line of the best sweaters made in this country. We are the agents for the Annette Kellerman sweaters, which is a most beautiful sweater of all pure worsted. It comes in three styles and many colors.

**We Will also Feature For Christmas
All Worsted Sweaters \$2.00.**

There are four different styles at this one price—all in red, white, and grey—the best colors—one a double-breasted, shawl collar; another a single-breasted, high military collar, in both plain and fancy stitched; another, a V neck, fancy cuff sweater, that is a bargain at \$2.00 each.

Sweaters for boys and girls, \$1.00 and \$1.50 each.

PERSIAN KIMONAS \$2.48 Each.

There are about six different styles in this collection for Christmas. All pretty Persian designs in tan, blue, grey, open and black effects, with satin trimmed edges, sleeves and cuffs, with high necks and corbels to match; shirred belts and shirred cuffs on long sleeves; also belted effects and Japanese sleeves. A splendid variety of very pretty kimonas, all \$2.48 each.

A Black Silk Skirt \$2.68

This would prove a pleasing gift to many a woman, because it is a beautiful skirt. It is all silk with a deep 14-inch silk flounce of knife edge pleating and tailored stitching of fancy tucks and an under dust ruffle—all lengths, \$2.68 up.

Bed Room Slippers 50c Each

These are hand crocheted, of all worsted yarn, in a nice range of colors, such as pink, white, light blue, grey and black, with lamb's wool soles—all 50c a pair.

BOY INJURED WHILE COASTING ON NORTH STREET

One of the first coasting accidents of the season in Newark occurred Sunday afternoon when Dannie Crowley, the seven year old son of Mr. and Mrs. Daniel Crowley, of 315 South street, was coasting down the hill on North street. This hill is a favorite coasting hill for the boys of the North End, and many of them were out Sunday afternoon enjoying the sport. Dannie was coasting down the hill and had attained a high rate of speed, when his sled crashed into a telephone pole and he was badly injured. He was taken to his home and Drs. Barnes and Legge were called. On examination it was found that the boy had sustained a broken rib and that his collar bone had also been dislocated. The boy was very plucky about his injury and seemed glad his injuries were no worse. The injured boy is now at the home of his Aunt, Mrs. Alice Burt, 29 West North street.

An effort of the above nature is no more than is to be expected from the large boys coasting on the hills in the city. There is no citizen who would not have the young people enjoy the sport if it were not for the great risk involved, but caution should be posted to look out and warn coasters of the approach of vehicles, and there should be no crowding on the course. Keep the sleds on the side of the road opposite the telegraph poles.

**AGAIN DISCUSSED.
FOR SENATORSHIP**

Since the Senatorial debates between E. W. Hanley and Atlee Pomerene have developed bitter charges and counter-charges, Democratic politicians have again canvassed the field for "dark horse" candidates to succeed to the seat of Charles Dick in the Senate. Among those prominently mentioned is former Governor James E. Campbell, who has just returned from Europe.
